What drives us?

Message from:
Mark Moriarty, Executive Director

2018 was a memorable year for The First Tee of Connecticut! In April our chapter was victorious in the “Brackets For Good” competition for the Connecticut region, in June we were fortunate to have UCONN alum and NBA Hall of Famer Ray Allen as the guest speaker at our annual Patrons’ Breakfast and in October we hosted our first “Taste of the Tee” in Greenwich.

On the golf course, a few of our participants were victorious at the local and regional level and in the classroom, many of our participants achieved great success including 38 young people who were recognized with scholarships totaling \$39,500 through our chapter.

Thanks to our many supporters, who are listed within this Annual Report, and our coaches and volunteers, some of whom are highlighted in “The Front 9”, we were able to positively impact the lives of nearly 70,000 young people! We had support from new donors who came to us unexpectedly: “I singled out your program to donate and support, based upon your work with underserved youth while introducing golf (sport & discipline) and more,” and from long time donors who have supported us for nearly 20 years (more to come on our 20th Anniversary celebrations).

In the young people whom we serve we can see what the future holds, and I am proud to say that the future looks bright. From the pure excitement that our youngest participants display when they arrive for their first TARGET session to the community

service projects in which our high school participants are engaged, there is plenty to celebrate at The First Tee of Connecticut. A few of our high schoolers were even chosen to represent our chapter at National Opportunities hosted by The First Tee: Elena Anderson of Windsor at the National Par-3 Championship and College Golf Prep Academy and Meghna Mazumdar of South Windsor and Matthew Luponio of Southington at the Joe Louis Barrow, Jr. Life Skills & Leadership Academy.

Nationally, The First Tee has unofficially adopted a slogan that says, “Good Golfers. Better People.” and I firmly believe that this represents the true goals within our organization. Our greatest successes will be seen in all the ways that these young people will positively impact their communities beyond the golf course, although making a few birdies and eagles along the way would be nice too!

However you support or participate in The First Tee of Connecticut, thank you for being part of this important effort to introduce more young people to the game of golf and to empower them with the very important Core Values, Healthy Habits and life skills that are inherent to our great game.

First Tee Alum Dan Schena and Executive Director Mark Moriarty at “Dogg Day ’18.” Dan is a former recipient of the the Andrew K. Dwyer Foundation Scholarship and the foundation honored our chapter as their “Partner of the Year” in September.

Our Front 9

INFLUENCER: Corrin

Grieco with Pure Insurance is not only a very engaged corporate supporter of The First Tee of Connecticut (TFTCT), but she's also a parent of a participant! Corrin was instrumental in bringing PURE on board as a corporate sponsor at TFTCT. "I was inspired by PURE Insurance's President and CEO Ross Buchmueller's, enthusiasm and passion for the impact The First Tee is making in the lives of children across the country and decided to explore opportunities within my local community. In our small state, there is a large population of children whose lives could be redirected simply by participating in The First Tee's programs. I am optimistic that PURE's support of the Connecticut chapter will have an impact on expanding their footprint and providing programming to more children." As a parent, Corrin says her son Graydon received top-notch golf instruction, made friends with children outside of his community and made great strides with his sportsmanship. He learned how to introduce himself to a new friend, that shaking hands is not only for adults, that respect is cool, that being a good sport means you need to be a good winner and a good loser, and so much more!

ADVISORY COMMITTEE

MEMBER: President and CEO

of Bartlett Brainard Eacott, **Tom Panczer** has served on our First Tee Charity Classic Golf Advisory Committee for several years. Tom has had an up close and personal view of TFTCT as his company oversaw the construction of the David & Geri Epstein Learning Center in Cromwell in 2012. "My first introduction to the First Tee of Connecticut was during a meeting with Ted May and David Polk regarding the construction of their facility. Their enthusiasm and love for this wonderful organization was so infectious that I was more than happy to help out with their fund-raising events." Tom has played an instrumental role in the success of our signature golf tournament at the TPC River Highlands

Coach Profile: Coach

Bobby Powell, PGA has been involved since 2000 and is our longest tenured coach at TFTCT! Bobby says that what he enjoys most about TFT is not only the golfing skills, but teaching the Life Skills, the Nine Core Values and the Healthy Habits. "Seeing the smiles on the students' faces after

completing a task while having fun, knowing that I am doing my part in impacting the lives of the young people in positive ways in their development towards becoming outstanding citizens is what I love." Bobby added that the support we get from corporate sponsors is key to our success going forward, but what thrills him the most is the outreach to our communities that are lacking access to golf and are not exposed to this wonderful game. "Giving the minority communities access to get involved in golf is so valuable, not only for our students and coaches but for their parents as well."

TEACHER PROFILE: Mark

Ottusch, K-8 Health and Physical Education Department Head and Physical Education Teacher at King St. Intermediate School in Danbury has been involved with The First Tee program since the 2011-2012 school year. Each year, four hundred kids at King St. Intermediate get to experience The First Tee In-School program with many students transitioning to the green grass programming at Richter Park. Mark believes that the First Tee golf program helps its participants build self-confidence. "The high quality of instruction allows the participants to make great improvements; not just physically, but in the quality of their character as well." Each year the First Tee program exposes over 5,000 of Danbury's elementary students to the game of golf. "We are extremely appreciative of the support that the program gives us to expose our students to an activity that can keep them physically active throughout their entire life."

NEW BOARD MEMBER:

Attorney, **Alicia Davenport** joined the Board in 2018 representing Eversource. Alicia says she was very excited to get involved because golf is a big part of her life and is the vehicle used by TFTCT to teach important life skills to kids. "I was also excited to be a part of something that seeks to improve the lives of low-income kids, having been such a kid growing up." Eversource has been a strong supporter of The First Tee for many years, providing the land that The First Tee building and golf facilities are built on. "Eversource is committed to serving the neighborhoods where our employees work and live and supporting an organization that is dedicated to the positive development of kids in those communities is an important part of that service." Alicia enjoys learning about the "success stories" of the kids who learned golf and life skills through the TFTCT programs and are now returning home to pay it forward by working with kids themselves.

Our youngest participants enjoying warmup activities at Fairchild Wheeler Golf Course in Bridgeport.

FACILITY OPERATOR:

Alling Memorial Golf Course has been a program location for fifteen years and **Larry Thornhill** has been there for the duration. Larry says he believes that TFTCT teaches kids that golf can be fun and he hopes the kids continue to play the game for the rest of their lives. “It is important to the leaders of the City of New Haven to have a golf facility that supports the surrounding communities and provides access to education and recreation, therefore it has been a mutually beneficial relationship for 15 years.”

PARTICIPANTS: Libby and Samantha Dunn

have been involved in the program for six years. The girls were both influenced to give the game a try due to their dad’s affinity for the sport. Samantha says she also wanted to try anything her older sister had! Libby says that the things she enjoys most about golf are being outside and meeting new people at the tournaments she participates in. Samantha says she loves the staff members that make TFTCT an enjoyable place to be and also the opportunity to meet others that you have something in common with! Both Libby and Samantha hope to continue playing golf at the high school and college level. As an 8th grader, Libby has had several opportunities to play in different tournaments already and recently was honored to be invited to represent TFTCT at the First Tee Invitational in Philadelphia. Six Grader Samantha summed it up well, “Golf is so much more than a club hitting a ball. It is the kindness we have to put out to others that makes golf whole.”

NEW FACE: Assistant Program

Director, **Taylor Januario** may be our newest staff member at TFTCT, but she’s far from a new face – as she has been involved with The First Tee longer than anyone on the staff!! Taylor started with The First Tee in 2004 as a ten-year-old taking classes at Goodwin with Coach Dan. “My first shot was amazing and that’s when I realized that golf is something I wanted to keep playing.” Taylor’s journey has come full circle – she went from participant to coach to staff member. Taylor said that coaching was sort of a spontaneous thing that she quickly fell in love with once she decided to try it. “Not only to be that female face, so other girls can see that it’s not only a male sport but also to see that look when kids make that amazing shot, the same look I had when I fell in love with the sport.” In February, Taylor joined TFTCT staff. She has seen and been a part of all the changes of the First Tee over the past 15 years and in her words, her favorite thing about TFTCT is “that it continues to grow.”

VOLUNTEER PROFILE:

As a retired educator/school counselor and standout athlete, **Walter Shelton** knows how to reach children. Walter became interested in the TFTCT program while using the practice facility at TPC River Highlands after he witnessed the involvement and the enthusiasm of the participants and coaches. He began coaching for TFTCT in 2016. Walter says that it’s more than just learning and teaching the game of golf to the kids – it’s about a way of life. “TFTCT is a gateway to diversity in my opinion. I love seeing children from different cultures and ethnicities walk in the front door. To see the participants engaging together with common and even different goals is heartwarming to me. TFTCT participants are winners.” ●

9 Core Values

Players learn values like honesty and responsibility by calling penalties on themselves and reporting their own score. By participating in The First Tee, youth are introduced to Nine Core Values which are incorporated throughout the program.

WRAP-UP

2018 Program

The winter is usually our off season but new and returning families enjoyed taking small group lessons with Coach Lindsey, four Open Houses and tee times on the simulator on holidays and select weekend days.

2018 was a year beset by poor weather throughout the late spring, summer and fall but our First Tee participants and coaches persevered (with lots of rescheduling!) for a fun and fulfilling season.

The Travelers Championship always brings great excitement to greater Hartford, and in particular at The First Tee. On Tuesday of that week, many of our participants enjoyed meeting and playing 4 holes on our Karl Krapek Learning Links course with several PGA Tour pros. Others walked 9 holes with several tour pros for their practice round and were invited inside the ropes for a hole!

Throughout the summer, we were fortunate to host several groups on Mondays (our course maintenance day) to introduce golf and/or continue teaching life and golf skills. Highlights were Waterbury Police Athletic League participants playing on The Learning Links with Coach Lindsey; it was the first time several of these children had ever been to a golf course. We also hosted several teenage boys from an autistic summer support group; they practiced their putting and hit a few drives on the course. These were all rewarding experiences for our staff and the children.

Our eight weeks of summer camp continued to be sold out. Our new Camp Director introduced yoga into our warmups, in addition to our daily activities of instruction, playing golf on the course and other fun games. Every Friday afternoon, we hosted our participants' families, so the children could share what they learned all week (on the putting green, practice facility and the course).

Our fall season culminated with several opportunities for participants to test their on-course skills, in fun but competitive events: two Parent-Child events, one at Lyman Orchards and the other at our Fairfield County site, Fairchild Wheeler Golf Course. We also co-hosted the popular East Mountain Junior Open, with our friends at East Mountain Golf Course.

First Tee participants at the Nutmeg State Games – Connecticut's Junior Olympics.

Teaching life skills is an integral part of our curriculum and several of our participants furthered their progress within our chapter and nationally. In July, Meghna Mazumdar and Matthew Luponio attended the week-long Life Skills & Leadership Academy at Michigan State University. Alex Cavaliere became our chapter's first ACE certified participant (the highest skill level), prior to heading off to Penn State.

Thank you to the facilities operators and their staff who welcome The First Tee of Connecticut's coaches and participants to their golf courses or driving ranges for weekly programs! You provide the classroom where our learning takes place and for that we are thankful. ●

for Programs

Next on The Tee

● As we celebrate our **20th anniversary in 2019**, we look forward to expanded programming at **Richter Park in Danbury**, the **Boys & Girls Club of Greenwich**, greater exposure in the city of **New Britain** through the **YWCA** and the **National School Program** being implemented at all of their elementary schools.

● Although we have hosted partner programs the past few years, we are also very excited to return to **Keney Park Golf Course in Hartford** for group lessons.

● In July, we are very excited to participate in (and return to) the **2019 TFT Philly Invitational** (formerly Northeast Regional Challenge). We will be chaperoning four boys and girls in a fun golf and life skills competition in greater Philadelphia.

Keney Park Golf Course, in Hartford, on the Windsor line.

2018 EVENTS

Wrap-up

Low Gross winners of the Bruce Guthrie Memorial Cup: Gary Wolff, Tom Hantke, Howie Friday and Andrew Campbell.

Our fundraising events are a critical factor in helping us raise the dollars we need to bring The First Tee of Connecticut programs to our schools, our green grass facilities and to our community partners. They generate the largest piece of our revenue stream at 32% with program fees next at 20%. We couldn't have these successful events without our golf tournament advisory committees, our faithful sponsors and our dedicated volunteers. It truly is a TEAM effort. In 2018, we raised over \$310,000 via our three golf tournaments and our Taste of the Tee event!

Walmart Charity Classic for The First Tee of Connecticut

Presented by Stanley Black & Decker at TPC River Highlands

Our first event was the Kick-Off for the 2018 Travelers Championship at the TPC River Highlands on June 11th, otherwise known as the Walmart Charity Classic. This is our annual celebrity golf tournament where our golfers go out in groups of five – each group paired with a local celebrity. We had 22 fivesomes participate and netted \$82,000! Since 2003, the Central Connecticut Charity Classic has raised \$900,000 in support of programming in the central part of the state. This day would not be possible without all of our sponsors, with special emphasis on our top tier sponsors including: our Title Sponsor, **Walmart** and our Presenting Sponsor, **Stanley Black & Decker**.

The First Tee Charity Classic at Madison Country Club

The First Tee Charity Classic at Madison Country Club was scheduled for September 18th but moved to October 15th due to rain. Over the past 15 years this event has raised more than \$784,000 to support programming in the Greater New Haven and Waterbury regions. Included in this number are this year's results – as we netted \$32,108.

PwC First Tee Charity Classic at Fairfield Country Club

The PwC First Tee Charity Classic was hosted at Fairfield Country Club on October 9th (another event moved for rain) – originally scheduled for August 13th. One hundred and four players had the opportunity to play in this Best Ball of Four event on this scenic course on Long Island Sound.

TFTCT is grateful to **Craig Watchmaker** and **PwC** for their seventh consecutive year of the Title Sponsorship of the PwC First Tee Charity Classic. Due to the generosity and commitment of PwC, and all our sponsors, this event netted over \$127,000. A special shout out to board member **Tim Bunt** who secured 15 of the 26 foursomes that participated.

Diana and Bill Gray with Rennie and David Polk at The Taste of the Tee.

The Taste of the Tee at Fairview Country Club

On October 4th we hosted the Taste of the Tee event at Fairview Country Club in Greenwich which benefitted our youth programs throughout Fairfield County. The event featured local club and restaurant chefs as well as several local spirit and dessert vendors for an evening of sipping and savoring. Golf Digest's **Michael Breed** and ESPN's **Trey Wingo**, both Greenwich natives, hosted the program. **Bill Gray** was honored for his dedicated service to The First Tee of Connecticut over the years. With the help of our very enthusiastic event committee, including our co-chairs **Matt and Holly Cassin** and **Karen and Eric Hopp**, the Taste of the Tee netted over \$62,000. ●

CELEBRATING 20 YEARS!

Who could have guessed when we first began in 1999 with fewer than 100 kids that twenty years later we'd be reaching nearly

70,000 Connecticut youth year in and year out! The First Tee of Connecticut began with the vision and dedication of a handful of people including **Ted May, Ian Baxter, Gary Reynolds, Kent Scully, Skip Gengras, Bobby Powell** and **Dan Malarney**. And through their perseverance we've grown to become one of the most successful First Tee Chapters in the country. A lot has happened over the past twenty years – most notably the construction of our cutting edge facility - The David & Geri Epstein Learning Center in Cromwell in 2012. We are proud of all the kids we've impacted over the last twenty years via our School Programs, Community Partner Programs (partnerships with Youth Service Agencies) and at our 22 green grass facilities throughout the state. We look forward to our next twenty years of reaching more youth and developing "good golfers – better people!"

NEXT ON THE TEE

We are hosting several exciting events in 2019!

Here is a snapshot of what's next on the tee.

If you have any interest in participating in any of these events, please visit our website:

www.thefirstteeconnecticut.org or contact our

Director of Development, Christy Miller at

860-316-2513.

- PwC Charity Classic at Country Club of Fairfield in Fairfield on Monday, May 6, 2019
- Parent Child Open at Lyman Orchards Apple Nine in Middlefield, on May 18, 2019
- The First Tee Celebrity Charity Classic presented by Eversource "Kick-Off to The Travelers Championship" at TPC River Highlands in Cromwell on Sunday, June 9, 2019
- 20th Anniversary Celebration at Round Hill Country Club in Greenwich on Monday, July 22, 2019
- The First Tee Charity Classic at Country Club of Waterbury on Monday, August 26, 2019
- Parent Child Open at Fairchild Wheeler Golf Course in Fairfield on Sunday, September 8, 2019
- Taste of the Tee – The Country Club of Darien on Thursday, October 3, 2019

When Numbers Tell The Story

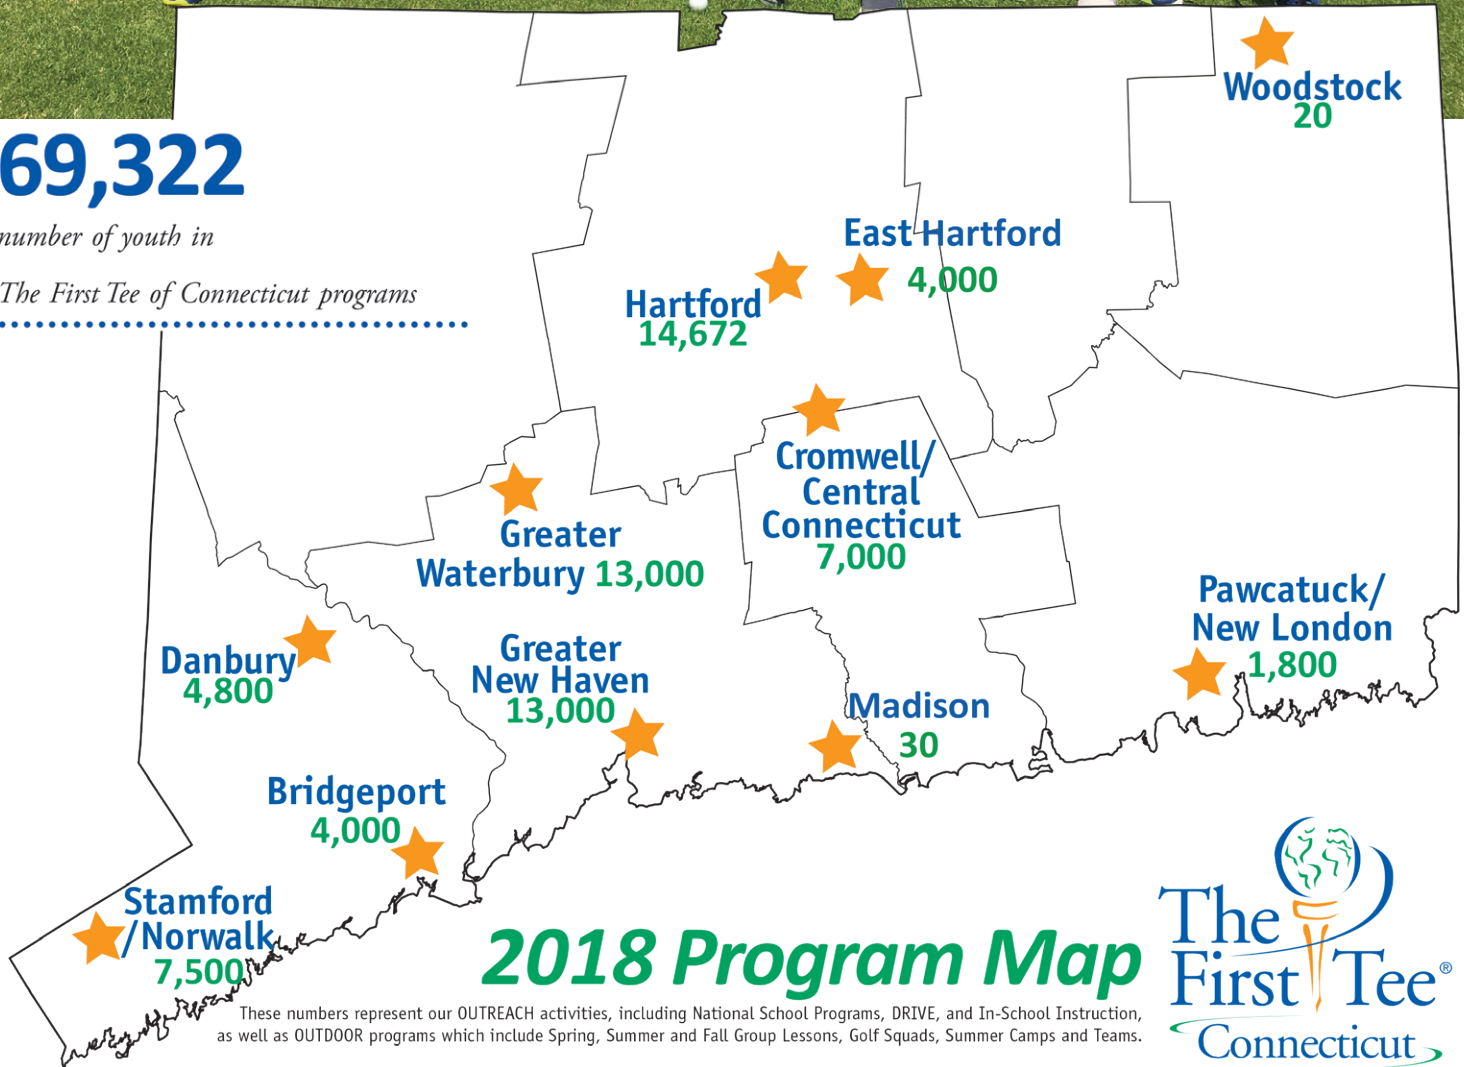

Three Sets of Twins

The First Tee loves when siblings join our program, and twins make it extra special for the kids and coaches.

The Power of Support

The First Tee of Connecticut is grateful to the many individuals, foundations, corporations, golf course staff, and alliance partners for providing chapter support during 2018. We also appreciate the many in-kind donations we received throughout the year. Thanks to this incredible support and promotion, we were able to introduce the Life Skills Experience to nearly 70,000 young people in Connecticut!

We worked carefully to ensure the completeness and accuracy of this list. We apologize for any mistakes, misspellings or omissions and ask that you contact our office 860-882-1660 to correct any inconsistencies.
