

# First Tee - Connecticut Game Changers Society

First Tee - Connecticut has established the Game Changers Society as a way to extend certain benefits to our loyal donors who decide to make multi-year commitments.

These commitments can be customized to suit our donors.

In 1999, The First Tee of Hartford started by offering golf clinics to 50 kids in Hartford. Now, over 20 years later, First Tee - Connecticut features youth development programs teaching life skills to over 70,000 young people at locations across the state - focusing on our 9 Core Values - Honesty, Integrity, Respect, Responsibility, Sportsmanship, Confidence, Judgment, Courtesy and Perseverance!
