We exist to enable kids to build the strength of character that empowers them through a lifetime of new challenges. Our work at First Tee is not about improving a child's golf score. It's about strengthening what each child brings to everything they do, including golf!

We hope you will help us **Build Game Changers** by supporting our event at New Haven Country Club. New Haven Country Club was founded in 1898 as one of the very early golf courses built in the United States. This rich and storied golf tradition is the foundation on which New Haven Country Club has grown and prospered over the years.
