

# First Tee – Connecticut Game Changers Society

In 2021, First Tee - Connecticut established the **Game Changers Society** as a way of honoring donors who consistently provide gifts of \$500 or more annually. The format, which calls for a designated gift over a five-year period, has been successful and we welcome more loyal donors to the Game Changers Society in 2025 and beyond.

At First Tee – Connecticut, we cultivate values and skills that allow kids and teens to grow and develop into their best selves. Our life skills curriculum is scientifically developed by experts in the fields of youth development and utilized in 150 chapters internationally. In 2025, our chapter introduced this curriculum to nearly 70,000 kids through school and community programs, group lessons and summer camp sessions. In recognition of your commitment, we offer the following pledge packages:

## **Ace Game Changers Society - \$10,000 pledge over a 5 year period**

- Recognized in Annual Report as a member of the Ace Game Changers Society
- Invited to play two rounds of golf at one of Connecticut's finest private clubs with First Tee - Connecticut staff, Board Members, or friends of the organization.
- Invited to a VIP social event celebrating current and former Game Changers
- Special Gift signifying membership in the Ace Game Changers Society

## **Eagle Game Changers Society - \$5,000 pledge over a 5 year period**
